

September 3, 2020

Dear Valued Customer,

Due to the increase of raw material costs used in the production of pails we are forced to announce a price increase of \$0.15 per pail effective with orders placed on or after Sept 25, 2020. During this time, we will be unable to accept orders with delayed shipments.

We appreciate your understanding as market conditions outside of our control require us to act accordingly in order to maintain our level of service and commitment to you.

If you have any questions, please don't hesitate to contact your sales representative.

Thank you for your business!

Sincerely,
